This year's SAR theme embraces Anchorage's 100 years as a community and highlights the district's Social Emotional Learning in the areas of self-awareness and social management, http://www.asdk12.org/media/anchorage/globalmedia/documents/superintendent/mecac/2013-14/SEL_StandardsK12.pdf. The district's Social Emotional Learning standards supports that the intentional act of sharing stories/experiences will combat racism and other forms of mistreatment by deepening understanding, building respectful and positive relationships in welcoming environments where people want to belong.
