

ASD Fast Facts

Building the ideal student experience

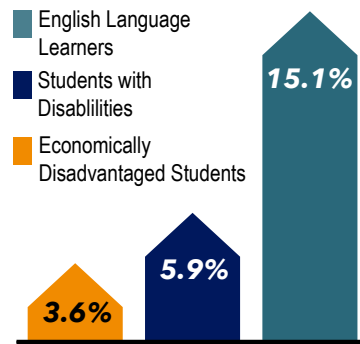

Student learning, achievement, and lifelong success are the focus of the Anchorage School District. Within the District, families have many academic choices to meet a variety of student needs. Equitable access and opportunity are keys to building a successful learning path for each student. ASD celebrates our differences and is committed to inclusion of all our community's languages, cultures, and perspectives.

Sustaining the Graduation Rate

ASD's upward trend in the graduation rate the last five years is a testament to our students' hard work and dedication, our educators' unrelenting pledge to their students, and the community's staunch commitment to educating all children for success in life.

Student Achievement Across Groups of Interest

Over the past five years, from 2016 to 2020, ASD has made steady improvement in the graduation rate for students across several groups of interest.

Nearly **43,500** students – one of the 100 largest school districts in the nation

More than **130** schools and programs

100+ languages are spoken by ASD families
