Creekside Park mySAEBRS Permission for 2024-2025 School Year

During the 24-25 school year, Creekside Park will use the student version of the Social, Academic, and Emotional Behavior Risk Screener (mySAEBRS). MySAEBRS is an evidence-based assessment that allows students to self-assess their social, academic, and emotional behavior skills. We use it along with the teacher rating version (SAEBRS) to assess our schoolwide and classroom social, emotional and behavioral instruction as well as identify students who might be at risk and need additional support. The mySAEBRS will be administered in September, November and April of this year. With your permission, students complete the self-assessment (approx. 10 minutes) by rating the frequency of their behaviors in the previous month, using a rating scale of *Never, Sometimes, Often, and Almost Always* on the following 20 questions:

I argue with others.	I get along with my peers.
I lose my temper.	I disrupt class.
I am respectful.	Other people like me.
I have trouble waiting my turn.	I like school.
I am ready for class.	I get good grades.
I have trouble working alone.	It's hard to pay attention in class.
I participate in class.	I feel sad.
I feel nervous.	I like to try new things.
I am happy.	I am worried.
When something bad happens, it takes me a while to feel better.	I like being alone.

Once completed, teachers and our school counselor will use the screener results to determine what next steps are needed for the class and for individual students. Teachers might implement strategies for the whole class (Ex. Social/emotional skills lessons or reteaching expectations),
