

## South (Cell Phone/Earbud/ECD) Expectations

All cell phones, earbuds, and other electronic communication devices must be stored in student lockers. Students may use their devices before/after school, during passing periods and at lunch.

Students with late arrival (and/or) early dismissal and TAs are also expected to follow these expectations.

Laptops/Chromebooks will be used at teacher discretion based on curricular need.

Therefore, no cell phones will be present in classrooms, hallways, offices, bathrooms or any other areas within the school while class is in session.

---

\*Students with documented accommodations or medical needs associated with ECDs will be provided with their documented accommodations.
