

Date: February 17, 2021

Dear King Tech Students and Families,

We are excited to announce that for the 4th quarter, King Tech will be offering face-to-face hands-on instruction for students.

As a full-time student, you will have the option to return to King Tech for face-to-face instruction. If you are not comfortable with returning to school, you will have the option of connecting with our King Tech Distance Learning program.

Return to school options:

KTHS Face-to-Face Return: If you plan to physically return to King Tech, transportation will be provided to and from school. Students will take their neighborhood bus to their neighborhood school and then transfer on to a King Tech bus. If you do not need bus transportation, you will self-transport to King Tech.

KTHS Distance Learning Return: If you are not physically returning to school and want to continue connecting with King Tech and our team of wonderful teachers, then, we will enroll you in our KTHS Distance Learning program. Students participating in the KTHS Distance Learning program will continue with their KTHS academic teachers and a CTE class. Lessons will be delivered synchronously throughout the week via zoom.

ASD Virtual Return: If you are opting out of the two options above, then, we will enroll you in the ASD Virtual program. With ASD Virtual, students will complete Canvas modules asynchronously with support from teachers across the district.

KTHS Schedule for Face-to-Face and Distance Learning Return

8:25	Buses Arrive at KTHS
8:35-8:45	Morning Announcements
8:45-10:45	AM Block: Face-to-Face full-time students meet with academic teachers.
10:45-11:00	Snack/lunch break
11:00-12:50	PM Block: Face-to-Face full-time students meet with CTE teachers / Distance learning students meet with academic teachers via zoom.
3:00-5:00	3rd Session Block: Distance Learning Students meet with CTE teachers.

- All classes will meet for instruction on Monday, Tuesday, Thursday, Friday.
- Wednesday will be utilized as a supplemental synchronous distant learning day. Students will meet with their teachers via zoom.

As you can see, we have a variety of options to meet student needs. We are excited to connect with all our students. We are ready to work with you!

To activate a schedule for the 4th quarter, we need to hear from you. Please connect with our full-time student counselor Paige Petr, to discuss what option and class schedule you would like for next quarter.

To activate a schedule for the 4th quarter, we need to hear from you. Please connect with our full-time student counselor Paige Petr, to discuss what option and class schedule you would like for next quarter.
