

## Rilke Schule APC Meeting Highlights February 20th, 2025

### Open Kindergarten Enrollment

The kindergarten lottery process is underway and our goal is to bring in 72 kindergarteners next fall. Help us continue to have a successful program by letting friends know about Rilke Schule and the amazing learning environment it provides our students.

### Advocate for Rilke at ASD Board Meeting on March 4th at 6pm

The repurposing of the 2 closed schools (Lake Hood and Nunaka Valley) will be an action item to vote on at this meeting. Rilke has been recommended by the administration for Lake Hood. However, we continue to need parents to advocate our need for the facility by submitting testimony or giving public testimony at the upcoming meeting. Just because it has been recommended to the board doesn't guarantee the board will vote yes on it. **Sign up** to provide testimony here: [Public or written testimony ASD meeting](#)

APC continues to negotiate with our current facility's owners on a possible new lease that aligns with our current financial situation now and into the future in consideration of potential flat funding.

### Principal Evaluation Results

We appreciate those who completed the annual principal evaluation survey. Our principal, Herr Strauch, was offered a new three year contract for his successful performance and evaluation. Congratulations!

### APC Election Results

The APC election was held from February 10-17. Jessica Frey and Jason Hotch were voted in for three year terms to the APC. Thank you to everyone who ran and participated in the election. We look forward to working with our new board members.

To our outgoing Chair, Rebecca Colvin, thank you for your unwavering dedication and countless hours spent serving our school. Your leadership and commitment have made a significant impact on our community, and we are truly grateful for your efforts.

Our next APC meeting will be March 20, 2025 at 6pm. See you there!
