Parent Permission Form to Ride the Activity Bus

MLMS is offering an activity bus to provide students involved in after school activities/academic programs transportation home. Please review the routes on the back of this form with your student to determine which stop best accommodates you. These times are approximate and change throughout the year depending on the number of activities occurring and the number of students riding the bus. The bus departs MLMS at 5:55pm sharp and stops at various stops as needed for the students that day. This may result in an earlier (or later) arrival time.
