### **Dimond Student Government Code of Ethics**

We hold all members of the Dimond Student Government to a high moral standard. Members are elected by the student body, and are therefore required to set a good example by exemplifying positive, appropriate behavior and by making good decisions. We are the leaders of the school and should behave accordingly.

All DHS Student Government members are expected to:

1. Attend all mandatory events at the designated times and places or contact the advisor to be excused.
2. Respect the rights and safety of others.
3. Abstain from the use of alcohol, tobacco or illegal drugs at all times.
4. Fulfill the duties and responsibilities of an officer of the DHS Student Government as set forth in the Student Government Constitution and Bylaws.
5. Serve as a positive role model for a group of freshmen as a mentor in the Dimond Ignition Mentorship Program.
6. Follow the guidelines set forth in the Anchorage School District's current Student Handbook and Activities Handbook.
7. Maintain a 2.0 GPA at the conclusion of each semester.
8. Adhere to the Dimond Student Government Social Media Policy.

Violations of this Code could result in the student's removal from office, removal from the Student Government class and/or prohibition from future office at the discretion of the DHS Administration and the DHS Student Government Advisor, depending on the severity of the offense. If a member of Student Government receives an out-of-school suspension, they will be removed from Student Government for the remainder of the school year. If a member of Student Government receives an in-school suspension, they will be removed from their elected office. If a member of Student Government receives a second in-school suspension, they will be removed from Student Government for the remainder of the year.

We appreciate each officer's participation in DHS Student Government, and look forward to representing the student body within DHS, and DHS within the community. Like our motto, which states "Leadership is Action, Not Position," your signature below indicates that you have read and understand the above guidelines. Student-leaders agree to abide by this code and parents/guardians acknowledge that their student will be held to the standards set forth herein. Thank you!
