

Mt. Spurr Lava

“Overflowing with Learning”

Message from Principal Schildbach: Field Day Needs Volunteers! Mt. Spurr is in need of volunteers for Field Day. You can volunteer in the morning, you can volunteer in the afternoon, we need volunteers to help with food and to supervise activities. Only half of the students will be out at a time and they are some of the best behaved children I have ever worked with. It would be a good practice session prior to having them at home for Summer Break. This event only will work if we have help and we definitely need you to be there. You can call the Mt Spurr office at 742-0200 to offer your help.

The last day of school is Wednesday 23, 2018. This will be a full day of school complete with a faculty versus sixth grade kickball game. Most classrooms will have a culminating event and we would encourage your student to stay for the entire day.

Volunteers needed:

We are in desperate need of volunteers for Field Day. This event typically takes 30+ adults to run each session. At this time we do not have enough for both sessions. This event is fun filled, and means the world to the children. Without adult participation it may have to be canceled. Please email Paskin_Allie@asdk12.org, or James_Jesse@asdk12.org
