

Mt. Spurr Lava

“Overflowing with Learning”

Message from Principal Schildbach: Yes, this is the last Lava of the school year! There are a few housekeeping items that need to be addressed. Please check around the house for library books that are due back to the Mt. Spurr Elementary Library. Look under the couch, under beds, in the car, or any other place you saw your student reading. Next, log into Q and see if your student owes money for lunch charges. You should have received a notice if you owed money, but it is best to verify your charges on ASD’s electronic student record system. If you don’t know your Q log in, please contact the front office. You can use the log in information to also register your student for next year if they are returning to Mt. Spurr Elementary. The window is open to register until June 29, 2018 and then reopens from July 9 to August 24, 2018.

Thank you all for sharing your students with our staff and me this year. It has been great.

Quote of the Week: “Have a great summer!” – Mrs. Jester & Mrs. Paskin
