Building Student Excellence Through Traditional Cultural Learning

ASD Student dress code Policy:

It is the goal of the District to ensure that every student has a safe environment in which to learn. Each student shall attend school clothed in a manner that is clean, not hazardous to the safety of him or herself or others, and that does not detract from or disrupt the educational environment. Clothing worn by students that in the reasonable opinion of the school administration is inappropriate is forbidden. Such clothing includes but is not limited to the following:

- Clothing that promotes gang affiliations;
- Clothing that promotes violence, discrimination or racism, or the use of tobacco, drugs, alcohol or weapons;
- Clothing that is revealing or has comments or designs that are obscene, lewd, or vulgar;
- Clothing that presents a hazard to the student's safety or the safety of others;
- Clothing that causes distractions or inhibits the learning process.

An individual school may list in its student handbook other school rules for clothing consistent with this policy. Students who do not follow the rules will be excluded from school until such time that they cease wearing the clothing or items to school or school events.

The Alaska Native Cultural Charter School added the following:

- No open toe shoes or flip flops for safety reasons
- No tank top/sleeveless/spaghetti strap tops or shirts that show the stomach
- Shorts, skirts, jumpers, dresses and all clothing cannot be three inches above the top of the knee
- Sunglasses, hats, hoods and other head wear are not to be worn in the building
- Students are expected to wear the appropriate gear for outside recess

Parents will be contacted to provide proper attire should their child arrive at school and not be in compliance with the school and ASD dress code. Final determination of acceptable dress grooming will rest with the school administration.
