DRIVER'S EDUCATION COURSE REQUIREMENTS

Students may earn 0.5 elective credit hours for 45 hours logged.

The log may be one of the four required work samples per semester and may include hours logged for activities such as studying for the permit test, driving, driver's education course class time and road instruction, and learning about or performing car maintenance. The following list includes examples of additional work samples that may be submitted:

- ➔ A copy of the student's driver's license or permit
- ➔ Documentation of completion of an established driver's education course
- ➔ Study notes for permit test or from class
- ➔ Pictures or videos of student engaged in car maintenance or driving related activities (no selfies while driving please)
- ➔ Essays or lists of safe driving practices, why no cell phone use while driving, good winter driving practices, etc.
- ➔ Create a first aid kit or learn car maintenance such as changing the oil or changing tires
- ➔ List of driving goals
- ➔ Make a checklist of what to do if involved in an accident

Course work sample requirements can be modified at sponsor teacher discretion
